

TRES SANTOS

GETTING HERE FROM CABO (SJD)

- Follow signs to Cabo San Lucas/Todos Santos and take the immediate left onto the Toll Road.
- After 15 minutes you will come upon a toll booth with a small fee when you reach the entrance to the “Corridor.”
- After the toll, you will see the ocean. Turn right at the roundabout in front of the Mega and travel approximately 20ish minutes until you reach the entrance to Cabo San Lucas.
- Soon after getting the first view of Cabo Harbor you will pass Costco and Home Depot on your right.
- At this point, look for the intersection with a small bullfighting ring on the right and turn right there—on Reforma.
- Continue on through one stoplight and be ready to turn right again at the second light on Miguel Hidalgo.
- At that intersection, you'll see the Golden Palace Hotel straight across and to your right.
- You are now on heading toward Todos Santos on Highway 19 (Google Maps shows this as Route 1).
- In about 2 to 3 blocks you will see the CCC grocery mart on your right, then Sorianas.
- Continue north along the Pacific for 45 minutes or so.
- Then take a right on Carr 19 (Carr is short for carretera, which means highway in Spanish).
- Follow Carr 19 until you run into Todos Santos and a big Bienvenidos a Todos Santos sign.
